

Florida Gold Seal Vocational Scholars Disbursement History

The Florida Gold Seal Vocational Scholars (GSV) award is available to students with some career education coursework. Students must earn a 3.0 GPA in the required academic credits for high school graduation and a 3.5 GPA in the vocational program courses plus earn a minimum test scores. As of 2012, students must also complete a minimum number of service hours.

As of 2012-13, GSV initial awards may only be used to complete a career education program below:

- Applied Technology Diploma
- Technical Degree Education Program
- Career Certificate Program
